

Welcome back to what will be a very busy half term! We have lots planned during the coming weeks, which we will endeavour to communicate to you as effectively as possible. Please do signpost fellow parents to this newsletter to allow everyone to keep up to date with planned events and important dates.

Christmas Tree - We are looking for a Christmas Tree for us to decorate as a school which we would like to show as part of the 'Brighstone Christmas Tree Festival'. If you have a tree you could possibly donate we would be very grateful. Please let us know in the office.

We are busy planning this year's **Christmas Fair** and have planned in **Mufti Days** throughout **November** and early **December** with the hope that we can collect in lots of goods to help make the fair a success. We hope as many people as possible can help us in creating a wonderful event for the children and families of Haylands. Tomorrow (**Friday**) is the first of our Mufti days in return for any good quality used or new toys. **Please only contribute where you are able, the last thing we want to do is place added pressure upon families.** Please take a look at the poster further down the newsletter with more information about the future mufti days.

A club list for this half term will be sent home shortly, due to the time of year and limited access to outside areas these are limited this half term. Please fill in the form with your child's choice of club and places will be allocated on a random basis. Please note that if there is an outstanding balance on a previous club, we will be unable to allocate a place for this half term to your child.

For clubs which were cancelled last term, Mr Austin will endeavour to run additional sessions when he is able, this will be communicated to you in due course.

Parents Consultation Meetings - Our parent consultation meetings will take place on **Tuesday 21st and Wednesday 22nd November** between 3.15pm and 6pm. This will be available to book from tomorrow afternoon via **Scopay**. If you do not have access to **Scopay**, please contact the office to request a link code for your child.

Attendance and Punctuality - Please arrive at school between 8.30am and 8.40am. The gates are closed at 8.40 and register taken, please help us to reduce the amount of learning lost through lateness by arriving before the gates close.

If your child is absent, please call the office absence line by 9am daily and follow this absence up with a note. Alternatively, you can email admin@haylands.iow.sch.uk to inform us of your child's absence, this will then be accepted as your absence note.

School Start Times:

Doors open at **8.30am** and register is taken promptly at **8.40am**.

It is **essential** children are in time for registration and ready to start the day in a timely manner.

School ends at 3.10pm—please arrive promptly to collect.

Minutes Late - The number of late arrivals after the register closed this week has meant that **425 minutes** of learning have been lost! Please remember school starts at 8.40 promptly.

Whole School Attendance: 93.2%

Target: 96%

Please remember to call school by **9.00am** on **563372** if your child is absent AND follow this up with a letter. We would appreciate letters via email where possible at admin@haylands.iow.sch.uk

Regular meetings are held with the Education and Inclusion Assistant who monitors attendance.

If a letter is not received the absence will remain unauthorised.

Parent Guides to Online Safety

THINK before you send!

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

If you share it, you are involved

If you have, or forward an indecent image of someone under 18, it is a criminal offence. It can affect your future.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Age Restrictions on Social Media

It is against the law to be on social media sites under the age of 13!

The COPPA law or Children's Online Privacy Protection Act states that any organisations or people operating online services (including social media services) are not allowed to collect the personal information of anyone under the age of 13 without parental permission.

Facebook, Instagram, Twitter and Snapchat all require users to be **at least 13 years old** before they can create an account.

Creating a Facebook account with false information is a violation of Facebook's terms, including accounts registered for someone under 13.

The minimum age for WhatsApp is 16 years old. YouTube requires account holders to be aged 18 years and over.

Apps

Apps can be a positive place for young people to socialise with peers. Many enable instant messaging, social networking and image sharing.

Some, like YouTube, can also be a great creative outlet. But consider:

- Privacy settings and age relevance
- Talking to them about the content they share
- Discussing the consequences of sharing messages and images.

Instant Messaging

Instant Messaging is a great way to socialise and keep up to date with what's going on right now. However there is a risk of unsolicited contact. If your child is using messenger services you should:

- Look at the privacy settings
- Ensure they understand that they may be talking to people they don't know and the risks this brings
- Talk to them about what is and isn't appropriate to send.

Online Safety Guidance for Parents

Online spaces, games and media form a large part of life for young people growing up today. They offer platforms to connect with others and to learn.

Risks

Of course there are risks associated with being online, as there are with all aspects of life. These include:

- Exposure to inappropriate content
- Sharing too much personal information
- Connecting with harmful people and
- Spending unhealthy amounts of time online.

Have a conversation

One of the best ways to help young people stay safe online is to talk to them about what they do.

If you understand the situations they encounter you'll be better placed to offer them advice on how to deal with them.

Gaming

Gaming is fun but be aware that it can be all consuming. Some things to consider:

- Use the gaming consoles' safety settings
- Agree with your child how much time they can spend playing online
- Pay attention to the PEGI (age) ratings and what they mean
- Remember that some online games have inbuilt chat functions
- Be aware that your child might use servers or 3rd party applications to access interactive online communities.

Bullying

Remember, it's not the technology that's the problem, it's the bullies' behaviour. Support young people by:

- Talking about bullying issues
- Making sure young people know that they can turn to you for support
- Reporting any incidents - it will help your child and others too.

Live Streaming

Broadcasting online brings an instant thrill that can be addictive. Encourage young people to think about:

- Body image - talk to them about how they want to be perceived online and who their audience might be
- Privacy - how do they protect it? You can't edit something that is going out 'live'
- Age appropriate - is the site they're using appropriate for them? Most social media sites are aimed at 13 year olds and upwards. If not, is there a way to make it safer for them (e.g. YouTube Kids).
