

We have seen a huge improvement in our children wearing the correct PE uniform. We would like to thank you for your support with this, it is very much appreciated.

We have scheduled our two remaining development days for Monday 24th June and the very last day of the school year on Friday 26th July.

At Haylands we work hard to facilitate a whole school community ethos of respect. We believe staff, parents and children are entitled to a safe, respectful and inclusive environment in which to learn and work. Unfortunately, when under pressure these expectations are not always considered. With this in mind we ask that parents/carers read through our Respect Policy to become familiar with our expectations at Haylands Primary School.

Late Collection - Polite reminder; if you are going to be late collecting your child please ensure that you call the office, as teachers may not see electronic messages until after the class has been dismissed. If you are very late (more than 10 minutes) we will provide emergency care via our after school provision; for which there will be a charge due to staffing costs.

This half terms clubs have begun this week and will run until half term, apart from Forest School which will run until Easter on a fortnightly basis. If you have not done so already, please make payment via Scopay.

Change to menu next Thursday - On Thursday 18th January we will be serving Fishfingers and Chips with Sausage Pasta Bake being served on Friday.

Apologies, due to our hot water issues we will be serving baguettes for lunch tomorrow (Friday). Please order these via the text link by 8.15am tomorrow morning.

SENDIASS COFFEE MORNING

On **Thursday 18th January** SENDIASS will be holding a coffee morning in school.

SENDIASS is the Special Educational Needs and Disability Information Advice and Support Service for parents and carers. They provide free, confidential and impartial advice, information and support on all matters relating to SEN and disabilities including social care and health issues.

All parents and carers are invited to come along, find out about the service and have a chance to talk to their staff.

School Start Times:

Doors open at **8.30am** and register is taken promptly at **8.40am**.

It is **essential** children are in time for registration and ready to start the day in a timely manner.

School ends at 3.10pm—please arrive promptly to collect.

Minutes Late - The number of late arrivals after the register closed this week has meant that **214 minutes** of learning have been lost! This is far too high! Please remember school starts at 8.40 promptly.

Whole School Attendance: 95.1%

Target: 96%

Please remember to call or email school on **563372** or admin@haylands.iow.sch.uk by **9.00am** if your child is absent AND follow this up with a letter.

If you email in this will count as your absence note so no need to follow up.

Regular meetings are held with the Education and Inclusion Assistant who monitors attendance.

If a letter is not received the absence will remain unauthorised.

Age Restrictions on Social Media

It is against the law to be on social media sites under the age of 13!

The COPPA law or Children's Online Privacy Protection Act states that any organisations or people operating online services (including social media services) are not allowed to collect the personal information of anyone under the age of 13 without parental permission.

Facebook, Instagram, Twitter and Snapchat all require users to be **at least 13 years old** before they can create an account.

Creating a Facebook account with false information is a violation of Facebook's terms, including accounts registered for someone under 13.

The minimum age for WhatsApp is 16 years old. YouTube requires account holders to be aged 18 years and over.

Apps

Apps can be a positive place for young people to socialise with peers. Many enable instant messaging, social networking and image sharing.

Some, like YouTube, can also be a great creative outlet. But consider:

- Privacy settings and age relevance
- Talking to them about the content they share
- Discussing the consequences of sharing messages and images.

Instant Messaging

Instant Messaging is a great way to socialise and keep up to date with what's going on right now. However there is a risk of unsolicited contact. If your child is using messenger services you should:

- Look at the privacy settings
- Ensure they understand that they may be talking to people they don't know and the risks this brings
- Talk to them about what is and isn't appropriate to send.

Online Safety Guidance for Parents

Online spaces, games and media form a large part of life for young people growing up today. They offer platforms to connect with others and to learn.

Risks

Of course there are risks associated with being online, as there are with all aspects of life. These include:

- Exposure to inappropriate content
- Sharing too much personal information
- Connecting with harmful people and
- Spending unhealthy amounts of time online.

Have a conversation

One of the best ways to help young people stay safe online is to talk to them about what they do.

If you understand the situations they encounter you'll be better placed to offer them advice on how to deal with them.

Gaming

Gaming is fun but be aware that it can be all consuming. Some things to consider:

- Use the gaming consoles' safety settings
- Agree with your child how much time they can spend playing online
- Pay attention to the PEGI (age) ratings and what they mean
- Remember that some online games have inbuilt chat functions
- Be aware that your child might use servers or 3rd party applications to access interactive online communities.

Bullying

Remember, it's not the technology that's the problem, it's the bullies' behaviour. Support young people by:

- Talking about bullying issues
- Making sure young people know that they can turn to you for support
- Reporting any incidents - it will help your child and others too.

Live Streaming

Broadcasting online brings an instant thrill that can be addictive. Encourage young people to think about:

- Body image - talk to them about how they want to be perceived online and who their audience might be
- Privacy - how do they protect it? You can't edit something that is going out 'live'
- Age appropriate - is the site they're using appropriate for them? Most social media sites are aimed at 13 year olds and upwards. If not, is there a way to make it safer for them (e.g. YouTube Kids).
