

Welcome back! We hope you all managed to enjoy the Half Term break, despite the rain! We are currently organising our upcoming Parents Consultation Evenings which will be during the **week commencing March 4th**. Details will be sent home tomorrow to bookings to be made online via Scopay.

On **Thursday 7th March**, Haylands will be celebrating World Book Day. We ask that the children wear their pyjamas to school for 'bedtime stories' and that they bring in a favourite book. This could be a story book, a picture book, a non-fiction book...any book that they have enjoyed and can talk about to their friends. During the day we will be sharing a love of reading throughout the school.

Walk the Wight - On Tuesday morning, we welcomed Charlotte from the Mountbatten Hospice to Haylands. Charlotte told the children about the amazing work of the hospice and shared details of this year's Walk the Wight. All children will receive a bookmark which contains information about how to register your child for 'Schools Walk the Wight'.

Rather than completing the whole distance in one day, children can use their walking to and from school time, family walks and other exercise to count towards the Walk the Wight length. They can then be sponsored so that money is raised to support the hospice.

This year, we would like to participate in Walk the Wight as a Haylands group. The walk is on **Sunday 12th May** and we would like to organise a group walk from Sandown to Shide. Children who wish to participate must be registered and will need to be accompanied by an adult on the day of the actual walk. **More details to follow.**

Haylands Pre-School Clothes Swap

Haylands Pre-School will be holding a pre loved clothes swap on the last Friday of every month where you are invited to bring along good quality (freshly laundered) clothes which your little one has outgrown to swap for clothing that meets your child's needs.

This is a new initiative, which we hope will be popular and help to ease the burden of purchasing new clothes.

If you have any questions, please talk to a member of the Pre-School team who will be happy to help you.

FIRST EVENT WILL BE ON:

Friday 23rd February

More information on future dates will be shared in due course.

Clubs - Club lists have been shared this week with selections closing at 4pm today. Clubs will only be allocated to those whose accounts are up to date, therefore if you have any outstanding balances for previous clubs or school meals please clear this before a club place can be offered. Club texts will be sent tomorrow and will be available to pay online via Scopay.

Pre - School Clothing Swap - Don't forget Pre-School are holding a pre loved clothing swap tomorrow **8.30 - 9.15am** and **2.30 - 3.15pm**. Please take along clothes fit for swapping directly to Pre-School.

The Autumn/Winter Menu

W/C 26/02 Menu Week 1

Haylands is taking part in a project called World of Stories which aims to encourage reading for pleasure in schools. Research shows that reading for pleasure improves children's ability to read, write and progress at school, as well as having a positive impact on their mental wellbeing and empathy.

We have been thrilled to receive over £300 of wonderful books which have been distributed to class libraries and to our central library. The photo shows just a small selection of the amazing books that we have been lucky to receive

Age Restrictions on Social Media

It is against the law to be on social media sites under the age of 13!

The COPPA law or Children's Online Privacy Protection Act states that any organisations or people operating online services (including social media services) are not allowed to collect the personal information of anyone under the age of 13 without parental permission.

Facebook, Instagram, Twitter and Snapchat all require users to be **at least 13 years old** before they can create an account.

Creating a Facebook account with false information is a violation of Facebook's terms, including accounts registered for someone under 13.

The minimum age for WhatsApp is 16 years old. YouTube requires account holders to be aged 18 years and over.

Apps

Apps can be a positive place for young people to socialise with peers. Many enable instant messaging, social networking and image sharing.

Some, like YouTube, can also be a great creative outlet. But consider:

- Privacy settings and age relevance
- Talking to them about the content they share
- Discussing the consequences of sharing messages and images.

Instant Messaging

Instant Messaging is a great way to socialise and keep up to date with what's going on right now. However there is a risk of unsolicited contact. If your child is using messenger services you should:

- Look at the privacy settings
- Ensure they understand that they may be talking to people they don't know and the risks this brings
- Talk to them about what is and isn't appropriate to send.

Online Safety Guidance for Parents

Online spaces, games and media form a large part of life for young people growing up today. They offer platforms to connect with others and to learn.

Risks

Of course there are risks associated with being online, as there are with all aspects of life. These include:

- Exposure to inappropriate content
- Sharing too much personal information
- Connecting with harmful people and
- Spending unhealthy amounts of time online.

Have a conversation

One of the best ways to help young people stay safe online is to talk to them about what they do.

If you understand the situations they encounter you'll be better placed to offer them advice on how to deal with them.

Gaming

Gaming is fun but be aware that it can be all consuming. Some things to consider:

- Use the gaming consoles' safety settings
- Agree with your child how much time they can spend playing online
- Pay attention to the PEGI (age) ratings and what they mean
- Remember that some online games have inbuilt chat functions
- Be aware that your child might use servers or 3rd party applications to access interactive online communities.

Bullying

Remember, it's not the technology that's the problem, it's the bullies' behaviour. Support young people by:

- Talking about bullying issues
- Making sure young people know that they can turn to you for support
- Reporting any incidents - it will help your child and others too.

Live Streaming

Broadcasting online brings an instant thrill that can be addictive. Encourage young people to think about:

- Body image - talk to them about how they want to be perceived online and who their audience might be
- Privacy - how do they protect it? You can't edit something that is going out 'live'
- Age appropriate - is the site they're using appropriate for them? Most social media sites are aimed at 13 year olds and upwards. If not, is there a way to make it safer for them (e.g. YouTube Kids).
