remind you to apply sun cream in the morning before school and send in a hat where needed.

We are also approaching the time of year where hayfever is on the increase; please ensure you administer antihistamine in the mornings wherever possible if you know your child suffers with hayfever.

Mrs Orsborns Book Recommendation

This week's book recommendation comes from Mrs Orsborn. 'The Last bear' is a story of eleven year old April Wood. When her father is invited to work at a remote island to monitor the weather patterns, April is thrilled at the chance to explore a new place and spend time with her father. Unfortunately, April's father quickly becomes lost in his work and is as distant as he has ever been so she finds herself heading off to explore the island by herself. Despite being told by everyone that no polar bears exist on the island, April is convinced that she has seen something on the horizon and she soon finds herself embarking on the most wonderful of adventures.

This is a breath-taking adventure of friendship, love and about making sure your voice is heard

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
