School Visitors Policy

Introduction

The school has many visitors during the course of the day and it has legal obligations to fulfil in managing this, both for the well-being of visitors themselves, and also for children and staff.

As a school, we have a statutory duty regarding safeguarding of children, and we take this responsibility seriously. This Policy sets out the procedures that must be taken to ensure that the school fulfils this duty.

This policy applies to all visitors including but not limited to: parents/carers, volunteers, supply teachers, outside agencies, educational visitors, contractors and members of the public.

Planned Visits

- All planned visits should be recorded in the School Diary.
- All Supply Teachers should be arranged through the Deputy Headteacher¹.
- All Outside Health and Welfare Agency visits should be arranged through the relevant staff member, except if they are regular planned visits in which case they may be arranged through the Office or class teacher.
- All Outside Agencies used for school sponsored clubs should be arranged through the Office
- All Contractor visits should be arranged through the Site Manager². Contractors should be requested to visit the site before or after school opening hours unless in an emergency.

Visitor Procedure

- All visitors should report to main reception and show proof of identity (if required)
- All visitors should read the **Visitor Welcome Guidance** in reception (see Appendix 1), sign in and wear a visitor's badge which is issued at reception;
- All visitors should note the **Emergency Procedures** on arrival in reception;
- All visitors should wait in reception to be collected by a member of staff and sign out before leaving;
- All visitors should follow the **Visitor Principles of Good Conduct** (detailed below) and if appropriate sign the **ICT Acceptable Use Policy** (see **E-Safety policy**)
- All visitors should be accompanied at all times by a member of staff unless they have an enhanced Disclosure and Barring Service (DBS) check and permission to do so. Visitors who have an enhanced DBS and work with children unaccompanied will receive a précis of the school's **Child Protection, H&S policies and Classroom Helpers Code of Conduct** (see Appendices);

¹ or delegated member of staff

² or the Business Manager or delegated member of staff

Visitor Principles of Good Conduct

All visitors must follow basic principles of good conduct when on the school site. These principles are:

- Speak to staff in a respectful manner;
- Act in an orderly way;
- Adhere to school rules. Smoking (including e-cigarettes), consuming alcohol or any illegal substance is prohibited at all times throughout the school site. No dogs are permitted anywhere on the school site.
- All visitors are responsible for any children accompanying them on site and such children should not be permitted to use the playground equipment;
- If a visitor wishes to make a complaint, they are advised to follow the school's Complaints Procedure, which can be found on the school website. The school requests that all visitors refrain from using social networking sites to discuss sensitive issues about the school.

Visitors to Haylands Primary School are most welcome. If, however, the above principles are not followed appropriately, then a warning letter will be sent to the address of the visitor and, failing that, a procedure to exclude them from the school site will be actioned.

Guidance to Staff on Visitors

Staff must ensure that any individual wishing to meet with them (including family members) or a pupil in their class, observes this policy.

Any member of staff on maternity leave or on sick leave must contact the Headteacher to request permission to visit the school site. Any ex members of staff (including volunteers, trainee staff and students) must not be invited or permitted onto the site without the permission of the Headteacher.

If you have arranged for a visitor to meet with yourself or another member of staff, please ensure that:

- You have sought the necessary permission from the Headteacher.
- Office staff are informed in advance, so they can put it in the School Diary.
- You and your visitor follow the Visitor Procedure detailed above.

Personal Mobile Devices

- Classroom Volunteers must only use their mobile phones and personal devices in accordance with the School's **Mobile Phone policy**.
- The school will ensure appropriate signage and information is displayed to inform parents, carers and visitors of expectations of use.
- Members of staff are expected to challenge visitors if they have concerns and will always inform the Designated Safeguarding Lead of any breaches of school policy.

Use of the School's ICT system

All visitors are reminded that use of the School's ICT system should be consistent with the school ethos, other appropriate school policies, relevant national and local guidance and expectations, and the Law.

Monitoring and Reviewing

All school staff and governors will have access to a copy of this policy. This policy will be formally reviewed every three years

Appendix 1 - Child Protection Information for Visitors

Aim

To ensure all Supply Teachers and Classroom Helpers are aware of the School's Safeguarding Policy and the procedures with regards to Child Protection issues at the school. The School's Designated Safeguarding Lead (DSL) is responsible for:

- Co-ordinating Child Protection within the school.
- First port of call for concerns
- Ensuring information/evidence gathering, referrals and procedures are followed correctly
- Supporting staff and consulting with relevant parties involved with the pupil
- Liaising with other agencies and professionals
- Setting up and managing child protection plans
- Keeping up to speed with child protection issues and training and ensuring staff training is kept up to date

Procedures

There are 4 categories of abuse that you need to be aware of and how symptoms can be identified:

1. Physical abuse
2. Sexual abuse
3. Emotional abuse
4. Neglect

If a child makes a disclosure of abuse to you, the following course of action should be followed:

- Allow the child to make the disclosure at their own pace and in their own way
- Avoid interrupting the child, seeking clarity/questioning them or put words into their mouths
- Reassure the child that they have been heard and explain what you will do next and whom you will talk to. Do NOT promise the child you will not tell anyone/keep their secret and reassure the child that any course of action will be for their safety and well being
- Record the conversation as soon as possible using a yellow concern form
- Pass information onto the DSL immediately and meet to discuss the course of action
- **Reminder - You have a duty of care to the pupil and all information is strictly confidential!**

Record keeping

Effective monitoring and record keeping is **vital**. Any incident or behavioural change in the child that causes concern should be recorded. It is important that records are factual and reflect the words used by the child. Do not give your own personal opinion unless you have an evidence base which can be quoted. Records must be signed and dated with timings if available. Information that needs to be recorded should include;

- Child's name and date of birth
- Child in normal context e.g. behaviour, attitude, background
- Incidents that have caused concern (date and time)
- A verbatim record of what the child has said
- If recording bruising/injuries indicate position, colour, size, shape and time on the **BODY MAP** on the reverse of the **YELLOW** form
- Action taken

NB: pass on information to DSL immediately. Please feel free to discuss any concerns or questions with the DSL at any time. In some cases, the DSL may need to make a referral to other agencies such as the Local Authority Designated Officer (LADO) or Social Services in order to secure the safety and wellbeing of the child.

Employer Responsibilities

The responsibility is devolved to the Headteacher who has day to day responsibility for staff, pupils and others as 'officer in charge' of the premises.

Appendix 3 - Code of Conduct for Visitors

Thank you for volunteering to provide help in the classroom. Volunteers are an essential and invaluable part of school life and the teachers and staff at Haylands Primary School are very grateful for the support and involvement of Helpers.

Haylands Primary School has a statutory duty regarding safeguarding of pupils and staff; and we take this responsibility seriously. Classroom helpers will be asked to undergo a Disclosure and Barring Service (DBS) check prior to working with children in school. Please also read the School's Child Protection and Health & Safety Information leaflets prior to assisting in school. If you hear the fire alarm, report to the fire assembly point closest to where you are in the building so that you can be accounted for and if you are working with children lead them to safety and inform a member of school staff so that registers can be taken.

All helpers are asked to read and abide by the following Code of Conduct:

- It is essential that confidentiality is maintained, particularly due to the close contact with staff and pupils. Whatever happens in school should not be discussed with anyone outside of school.
- Helpers are in school to support the teacher and the pupils, therefore reinforcing instructions given by the teacher and working effectively with them. The teacher remains responsible for the organisation of the class and methods of work. The School expects helpers to respect the teacher's expertise and maintain a professional attitude as they work alongside the teacher.
- It is important for pupils to see all adults in school as role models. Helpers need to be aware of the rules governing pupil behaviour; the key 'dos' and 'don'ts' for children and adults.
- At Haylands Primary School we do not discriminate against anyone, be they staff or pupil or parent or visitor, on the grounds of age, race, ethnicity, religion, belief, attainment, disability, gender or background.
- Helpers should not be drawn into inappropriate topics of conversation with pupils. If in doubt about anything the Helper should immediately seek the advice of a member of staff. All problems should be dealt with as quickly and discretely as possible.
- Helpers are not permitted to work with their child's class and are not expected to use their time as an opportunity to discuss personal issues regarding their child's education.
- Please sign in and out of the building and stay within the areas that are necessary for your visit
- Please do not:
 - Use mobile devices in the presence of pupils unless it is an emergency
 - Take any photos of children or staff, unless you have been requested to do so by a member of staff and only then if using school equipment
 - Use the School's ICT equipment unless you are approved to do so
- Please note smoking, consuming alcohol or any illegal substance is prohibited at all times.

During a visit to the school each volunteer is linked with a specific member of staff to whom he or she will be directly responsible. Whilst there should be no significant addition to the workload of the staff member taking responsibility for the volunteer, it is expected that time is taken to ensure the volunteer is adequately inducted into the role and that there is mutual agreement and understanding.

Please be aware that, in the interests of the children's safety, if this 'Code of Conduct' is not followed, we may have to decline any future inclusion in school. Thank you for your understanding and we look forward to welcoming you as a helper in our school.
