NEWSLETTER DATE - APRIL 2026

Welcome back to an exciting Summer Term! We hope you all had a fantastic Easter break, enjoyed some well-deserved rest, and made the most of the spring sunshine.

We have a busy and action-packed half term ahead, filled with memorable experiences for our pupils. Kicking things off, our Year 4 children set off tomorrow (Thursday) on their much-anticipated residential trip. Their adventure includes a visit to Marwell Zoo, followed by a fun-filled sleepover at Winchester Science Centre after enjoying a meal at Pizza Express. On Friday, they will be wowed by a full-dome planetarium show before heading to Moors Valley Country Park for more outdoor exploration. We are sure this will be an unforgettable experience for them all!

Year 5 are also diving into new experiences, with Group 1 beginning their five-week block of swimming and sailing sessions this week. Group 2 will be starting their sessions just before half term, and we can't wait to hear about their progress and achievements on the water.

Meanwhile, our Year 6 pupils are showing great determination as they prepare for SATs week. Their hard work will culminate in a well-earned celebration trip to the bowling alley – a fantastic way to recognise their efforts and success. It's set to be a vibrant and enriching term – we look forward to sharing these special moments with you!

Transferring to Secondary School (Current Year 6)

The deadline for transport applications to be submitted for students transferring to Secondary School is 1st May 2026. To make an application please visit our website <https://www.iow.gov.uk/article/2418/Apply-for-home-to-school-transport>.

Transport for eligible children, whose applications were received on time in line with the dates above, will be allocated to transport by the end of August, and Parents/Carers will be notified about those arrangements via email. For a small number of cases who may require complex transport arrangements, these may not be able to start in September and parents/carers will be notified if this is the case.

Applications received after the deadline will be treated as 'late applications' and can only be reviewed after all on-time applications have been processed. For the families of eligible children who apply late, this means that transport may not be in place for the start of the school term in September and may not be available for the first school term. During this time transport arrangements including costs will be parents' responsibility.
