NEWSLETTER DATE – JUNE 2026

Welcome back to Summer 2 Half Term!

We hope all of our families had a wonderful half term break and were able to enjoy some of the lovely sunshine. It has been fantastic to welcome everyone back to school feeling refreshed, well rested, and ready for a busy and exciting final half term of the academic year.

There is certainly plenty to look forward to over the coming weeks, with Sports Days, residential visits, exciting day trips, and special leavers' celebrations all taking place before the end of term. It promises to be a memorable and action-packed few weeks for all of our pupils, and we look forward to sharing these experiences and achievements with you as the term progresses.

## Help us to keep children safe in the sun

Protect their skin today for a healthier tomorrow.

### Sun Safety

Put sunscreen on.

### Apply Sun Cream

Do not rely on sunscreen alone to protect yourself from the sun. The sun can cause damage to the skin even on cloudy days or in the shade. Use sunscreen with a sun protection factor (SPF) of at least 30 and reapply it regularly.

### Sun Safety

- Reflected sunlight from sand, concrete and water is particularly dangerous.
- At least 4 star UVA.
- Reapply sunscreen regularly (every 2–3 hours) and after you have been swimming, playing sports, which indicates that the product is compliant with the EU standard.

### Wear a sun hat

A hat (preferably a wide-brimmed hat that shades the face, ears and neck) will be cooler, more comfortable and offer better sun protection than baseball and bump caps.

- Please make sure these are labelled/approved.

### Sun Safety

Wear a sun hat.

### Sun Safety

Wear sunglasses.

### Wear sunglasses

Spending time in the sun without proper eye protection can cause a temporary but painful burn to the surface of the eye. Whilst the peak or brim of a hat can protect against this, we do allow the use of sunglasses in school.

### Sun Safety

- Reflected sunlight from sand, concrete and water is particularly dangerous.
- The best sunglasses are those with wraparound lenses or sides, which can block 100% UV and both UVA/UVB (AS/NZS 1067.1:2016) E.
- If your child does bring sunglasses to school, they do so on the understanding that we take no responsibility for loss or damage to these.

Let's work together to keep children safe in the sun every day!
