

Rearranged Photo Session - Unfortunately due to the closure of school yesterday, several classes missed out on having their photo's taken. The photographers will be back with us next Wednesday (11th) to take these, along with anyone else who missed their photo this week.

Book Fair - We will be holding the Scholastic Book Fair in school throughout next week. Books will be available to browse and then purchase electronically with payment being made online. Please come along throughout the week, the books on sale can be viewed online via this link: [Scholastic book fair](https://www.scholastic.co.uk/book-fair)

Parents are invited to see the Fair Monday - Friday 8:15 - 8:35am and after school from 3:15 - 3:45pm

Buying books from the fair will earn books for the school library

Don't forget about our Book Fair Competition! Entries close on Wednesday 11th October.

Dojo - We have received reports from some parents that they have seen requests for payment whilst using the dojo app. After speaking with Class Dojo, they have advised the following:

'The basic Class Dojo app is free for parents, teachers, and students to download and use! We have added a new, optional feature to the parent app called Class Dojo Plus that is available for purchase within the app. Class Dojo stays free for teachers and schools because of our optional subscription service.'

Families are under absolutely no obligation to purchase this subscription. All features to communicate with their teachers and school are free, and we are committed to those features always remaining free.'

We are looking for new Parent Governors - Please take a look at the poster further down the newsletter for more information.

Last week we took part in two tournaments for tag rugby. The first of these was the U11 girls team who played away at Wootton. The girls played extremely well, winning 5 games, drawing 1 and losing 1. They will now take part in a finals tournament at Wootton on the 19th October. The boys then took part in their tournament at Ryde school where again they performed very well, winning 3, losing 3 and drawing 1. Well done to both of our tag rugby teams.

This week we had two football games for our U9 boys and girls who both played against Gurnard Primary. Both teams played well against their oppositions, however, despite a great performance they both lost 2-0 and 2-1 respectively. Well done to both teams, better luck next time.

Next week we have our U11 girls football team playing against Hunnyhill for their first game of the season. Good luck girls!

Parent Governor Vacancies

We are currently looking for new parent governors. If you have a commitment to improvement of outcomes for our pupils, a willingness to learn and an interest in being part of a friendly, inclusive and dedicated team then we would love you to join us.

Who are school governors?

School governors play an important role in helping to run schools. It is an extremely rewarding role and governors are the largest volunteer group in the country, working to do something positive and make a difference to education in the community. Our governors are a mix of people from our school community.

What do governors do?

The school's governing board is responsible for providing confident and strategic leadership, creating robust accountability, and oversight and assurance for the schools' educational and financial performance. We are all passionate about education and committed to continuous school improvement to ensure the best possible outcomes for our pupils.

What don't we do?

We do not get involved in the day-to-day running of the schools, that is the job of the Headteacher and her team. We do not inspect the schools or their staff, we do not decide what the children are taught, and we do not make any judgements on the quality of teaching.

What do parent governors do?

There are several different types of governors and elected parent governors form an integral part of a governing body. You will be elected by the parents, however, you are not a parent representative and do not report back to parents. If parents have any comments about the way the school is run, they should always get in touch with the Headteacher and her team first.

What are we looking for?

We are looking for two parent governors who are committed to Haylands Primary School and its future, with a keen and active interest in education and school improvement. We welcome nominations from anyone who has an enquiring mind and willing to learn. We ask our governors to commit to: -

- Attendance at meetings
- Maintaining confidentiality
- Training
- Visiting the schools

All newly appointed governors are also required to complete an enhanced DBS check.

What is the time commitment?

We hold monthly Full Governing Body meetings on a Wednesday evening and other statutory committees including Pay meet when needed. We expect governors to prepare for meeting by reading all the paperwork produced.

We would also hope you would get involved in additional link roles and responsibilities monitoring areas in the School Improvement Plan.

Currently training is available and there is reading to be done as part of your induction and to keep up to date with current educational thinking.

We really look forward to welcoming two more parents onto the Haylands Primary School Governing Body. For further information and an application form please contact Alison Starnes, Clerk to governors at clerk@haylands.iow.sch.uk

Training and mentorship

Training is an important part of learning your role as a governor and includes Induction, Safeguarding and any courses relevant to a link responsibility.

Nurdle hunting walk with Planet Aware

7 Oct 2023

We will take in the beautiful ocean views from Brook to Compton, part of the AONB, whilst learning more about the notorious nurdles and hunting for them in the sand. We will encounter a tale, creative moment or game in relation to these plastic pellets that are polluting our oceans and coastline, along the way.

Plastic pollution is damaging our marine environment so join us in this awareness raising walk, have some fun and time by the sea and hopefully return home with some ideas for positive change.

Start time: 11:30 am

Length: 1.5 miles

Duration: 1h 30m

Price: Voluntary donation requested but not obligatory.

Start:

Location: Brook National Trust Car Park, PO30 4HB

Age Restrictions on Social Media

It is against the law to be on social media sites under the age of 13!

The COPPA law or Children's Online Privacy Protection Act states that any organisations or people operating online services (including social media services) are not allowed to collect the personal information of anyone under the age of 13 without parental permission.

Facebook, Instagram, Twitter and Snapchat all require users to be **at least 13 years old** before they can create an account.

Creating a Facebook account with false information is a violation of Facebook's terms, including accounts registered for someone under 13.

The minimum age for WhatsApp is 16 years old. YouTube requires account holders to be aged 18 years and over.

Apps

Apps can be a positive place for young people to socialise with peers. Many enable instant messaging, social networking and image sharing.

Some, like YouTube, can also be a great creative outlet. But consider:

- Privacy settings and age relevance
- Talking to them about the content they share
- Discussing the consequences of sharing messages and images.

Instant Messaging

Instant Messaging is a great way to socialise and keep up to date with what's going on right now. However there is a risk of unsolicited contact. If your child is using messenger services you should:

- Look at the privacy settings
- Ensure they understand that they may be talking to people they don't know and the risks this brings
- Talk to them about what is and isn't appropriate to send.

Online Safety Guidance for Parents

Online spaces, games and media form a large part of life for young people growing up today. They offer platforms to connect with others and to learn.

Risks

Of course there are risks associated with being online, as there are with all aspects of life. These include:

- Exposure to inappropriate content
- Sharing too much personal information
- Connecting with harmful people and
- Spending unhealthy amounts of time online.

Have a conversation

One of the best ways to help young people stay safe online is to talk to them about what they do.

If you understand the situations they encounter you'll be better placed to offer them advice on how to deal with them.

Gaming

Gaming is fun but be aware that it can be all consuming. Some things to consider:

- Use the gaming consoles' safety settings
- Agree with your child how much time they can spend playing online
- Pay attention to the PEGI (age) ratings and what they mean
- Remember that some online games have inbuilt chat functions
- Be aware that your child might use servers or 3rd party applications to access interactive online communities.

Bullying

Remember, it's not the technology that's the problem, it's the bullies' behaviour. Support young people by:

- Talking about bullying issues
- Making sure young people know that they can turn to you for support
- Reporting any incidents - it will help your child and others too.

Live Streaming

Broadcasting online brings an instant thrill that can be addictive. Encourage young people to think about:

- Body image - talk to them about how they want to be perceived online and who their audience might be
- Privacy - how do they protect it? You can't edit something that is going out 'live'
- Age appropriate - is the site they're using appropriate for them? Most social media sites are aimed at 13 year olds and upwards. If not, is there a way to make it safer for them (e.g. YouTube Kids).
