Road Safety - An increased number of traffic related incidents have been reported to us since returning to school after the break. We would like to take this opportunity to improve our children's understanding of road safety, however this is of little use when faced with the increased dangerous parking in front of the school and drivers using the entrance of the car park to turn around and drop off children. This all has a negative impact on our ability to keep our children safe when entering or leaving the school site. This, in addition to the reported recent road traffic incidents outside local schools is causing us increased concern. It would be very beneficial if you could take a look at the information via the link to improve awareness of navigating the roads for children:

<https://drive.google.com/file/d/1JMXbMjiApNKpJ5BodqtU-B3pZDFECn7/view?usp=sharing>

We have asked the local parking enforcement officer to increase their visit frequency to help us to tackle this. We do appreciate the challenges the cold weather presents, however the safety of our children is our priority.

PE Uniform - Having looked at the prospectus we have noticed that it states 'preferably without a hood' when discussing the PE Kit requirements. We agree that this leads parents to believe that one is acceptable and is confusing. We have amended the wording in the prospectus and re-published this on the website to make it clear hooded sweatshirts are not acceptable.

The reason for not allowing hooded sweatshirts is purely one regarding health and safety. We find that when pupils wear hoods and they are playing invasion games or any other type of competitive games, they will use the hoods to grab and pull each other about which leads to many pupils becoming upset and hurt.

Many parents may have bought hooded sweatshirts following this guidance so as a compromise for this not being clear, we will allow any existing hooded sweatshirts until the end of this academic year but as the pupils grow out of them/they need replacing to be replaced with non-hooded sweatshirts.

School Start Times:

Doors open at **8.30am** and register is taken promptly at **8.40am**.

It is **essential** children are in time for registration and ready to start the day in a timely manner.

School ends at 3.10pm—please arrive promptly to collect.

Minutes Late - The number of late arrivals after the register closed this week has meant that **216 minutes** of learning have been lost! This is far too high! Please remember school starts at 8.40 promptly.

Whole School Attendance: 94%

Target: 96%

Please remember to call or email school on **563372** or admin@haylands.iow.sch.uk by **9.00am** if your child is absent AND follow this up with a letter.

If you email in this will count as your absence note so no need to follow up.

Regular meetings are held with the Education and Inclusion Assistant who monitors attendance.

If a letter is not received the absence will remain unauthorised.

Squirrels

**Wild about the outdoors?
So are we.**

Squirrels. The newest branch of the Scouts family tree. Where 4-6 year olds can join in on a Monday night 5.30 - 6.30pm in Ryde.

This is an age when minds are fizzing, when energy and curiosity levels are sky high, when little lives are full of wow and wonder.

Set them climbing the tree. Who knows how far they'll reach?

Age Restrictions on Social Media

It is against the law to be on social media sites under the age of 13!

The COPPA law or Children's Online Privacy Protection Act states that any organisations or people operating online services (including social media services) are not allowed to collect the personal information of anyone under the age of 13 without parental permission.

Facebook, Instagram, Twitter and Snapchat all require users to be **at least 13 years old** before they can create an account.

Creating a Facebook account with false information is a violation of Facebook's terms, including accounts registered for someone under 13.

The minimum age for WhatsApp is 16 years old. YouTube requires account holders to be aged 18 years and over.

Apps

Apps can be a positive place for young people to socialise with peers. Many enable instant messaging, social networking and image sharing.

Some, like YouTube, can also be a great creative outlet. But consider:

- Privacy settings and age relevance
- Talking to them about the content they share
- Discussing the consequences of sharing messages and images.

Instant Messaging

Instant Messaging is a great way to socialise and keep up to date with what's going on right now. However there is a risk of unsolicited contact. If your child is using messenger services you should:

- Look at the privacy settings
- Ensure they understand that they may be talking to people they don't know and the risks this brings
- Talk to them about what is and isn't appropriate to send.

Online Safety Guidance for Parents

Online spaces, games and media form a large part of life for young people growing up today. They offer platforms to connect with others and to learn.

Risks

Of course there are risks associated with being online, as there are with all aspects of life. These include:

- Exposure to inappropriate content
- Sharing too much personal information
- Connecting with harmful people and
- Spending unhealthy amounts of time online.

Have a conversation

One of the best ways to help young people stay safe online is to talk to them about what they do.

If you understand the situations they encounter you'll be better placed to offer them advice on how to deal with them.

Gaming

Gaming is fun but be aware that it can be all consuming. Some things to consider:

- Use the gaming consoles' safety settings
- Agree with your child how much time they can spend playing online
- Pay attention to the PEGI (age) ratings and what they mean
- Remember that some online games have inbuilt chat functions
- Be aware that your child might use servers or 3rd party applications to access interactive online communities.

Bullying

Remember, it's not the technology that's the problem, it's the bullies' behaviour. Support young people by:

- Talking about bullying issues
- Making sure young people know that they can turn to you for support
- Reporting any incidents - it will help your child and others too.

Live Streaming

Broadcasting online brings an instant thrill that can be addictive. Encourage young people to think about:

- Body image - talk to them about how they want to be perceived online and who their audience might be
- Privacy - how do they protect it? You can't edit something that is going out 'live'
- Age appropriate - is the site they're using appropriate for them? Most social media sites are aimed at 13 year olds and upwards. If not, is there a way to make it safer for them (e.g. YouTube Kids).
