Parents

Evening

Parent Consultation Evenings - Parents

Consultation Evenings will take place throughout next week (week commencing March 4th). Bookings can be made via Scopay until Sunday evening. If you are having problems making an appointment please call the office.

World Book Day - Next Thursday

7th March, Haylands will be celebrating World Book Day. We ask that the children wear their pyjamas to school for 'bedtime stories' and that they bring in a favourite book. This could be a story book, a picture book, a non-fiction book...any book that they have enjoyed and can talk about to their friends. During the day we will be sharing a love of reading throughout the school. We also have a change to menu (see poster) on World Book Day when the kitchen will be serving an 'All Day Breakfast'

followed by jelly or marmalade roll with custard.

Request from Mrs Phillips - Mrs Phillips is asking for donations of the following for sand play. Unfortunately she will not be able to return these, therefore they will need to be donated:

- Fantasy / action figures
- Animals (zoo, prehistoric, domestic)
- Cars / vehicles
- Walls/ gates / fences

Clubs - This half terms clubs have now been allocated and will run until Easter. If you are yet to pay for these, please do so as soon as possible.

Blue Reef Aquarium Trip - On **Wednesday (6th)** we have our EYFS (Pre-school and Reception classes) trip to Bluereef Aquarium, Southsea. If you are yet to make payment, please do this via scopay or in cash to the office. Please remember that children will need to be dropped off and collected at the Ryde Hovertravel terminal. If you have recently changed contact details please ensure these have been shared with the office in case of the need to contact home.

Island Line update - The Island Line will operate to a reduced timetable of one train per hour from Thursday 29 February

• The normal timetable of two trains per hour will operate during the Easter, early May bank holiday, and summer holidays

• Timetable changes are being made as the Island Line's five trains undergo additional maintenance.

The reduced timetable will operate while the Island Line's five Class 484 trains undergo additional maintenance at Ryde Traincare Depot. By reducing the timetable to one train per hour, more trains will be available for the busier times of year.

We are also reminding everyone of the five-day closure for essential maintenance and improvements will take place between Friday 8 and Tuesday 12 March, with buses replacing trains between Ryde Pier Head and Shanklin. Bus timetables during this closure are available on the <u>SWR website</u>.

Age Restrictions on Social Media

It is against the law to be on social media sites under the age of 13!

The COPPA law or Children's Online Privacy Protection Act states that any organisations or people operating online services (including social media services) are not allowed to collect the personal information of anyone under the age of 13 without parental permission.

Facebook, Instagram, Twitter and Snapchat all require users to be at least 13 years old before they can create an account.

()

Creating a Facebook account with false information is a violation of Facebook's terms, including accounts registered for someone under 13.

The minimum age for WhatsApp is 16 years old. YouTube requires account holders to be aged 18 years and over.

Apps

Apps can be a positive place for young people to socialise with peers. Many enable instant messaging, social networking and image sharing

- Some, like YouTube, can also be a great creative outlet. But consider: · Privacy settings and age relevance
- Talking to them about the content they share Discussing the consequences of sharing messages and images.

Instant Messaging

Instant Messaging is a great way to socialise and keep up to date with what's going on right now. However there is a risk of unsolicited contact. If your child is using messenger services you should

- Look at the privacy settings Ensure they understand that they may be talking to people
- they don't know and the risks this brings · Talk to them about what is and isn't appropriate to send.

Online Safety Guidance for Parents

Online spaces, games and media form a large part of life for young people growing up today. They offer platforms to connect wi others and to learn.

Of course there are risks associated with being online, as there are with all aspects of life. These include: Exposure to inappropriate content
 Sharing too much personal information
 Connecting with harmful people and

· Spending unhealthy amounts of time online.

Have a conversation

One of the best ways to help young people stay safe online is to talk to them about what they do.

If you understand the situations they encounter you'll be better placed to offer them advice on how to deal with them.

Gaming

Gaming is fun but be aware that it can be all consuming. Some things to consider:

 Use the gaming consoles' safety settings Agree with your child how much time they can spend playing online
 Pay attention to the PEGI (age) ratings and what they mean

· Remember that some online games have inbuilt chat functions

 Be aware that your child might use servers or 3rd party
applications to access interactive online communities. UK Safer Internet Centre guides:

Bullying

Remember, it's not the technology that's the problem, it's the bullies' behaviour. Support young people by:

 Talking about bullving issues · Making sure young people know that they can turn to you

Anti Bullving Alliance:

nti-bullyingalliance.org.uk

Live Streaming

Broadcasting online brings an instant thrill that can be addictive. Encourage young people to think about:

· Body image - talk to them about how they want to be perceived online and who their audience might be Privacy - how do they protect it? You can't edit something that is going out 'live'

 Age appropriate - is the site they're using appropriate for them? Most social media sites are aimed at 13 year olds and rds. If not, is there a way to make it safer for them (e.g. YouTube Kids).
