Hand in Hand Achieving Together

Year 6 super assembly!

We had a great assembly today where Year 6 shared their learning this term and sang beautifully for us. We all enjoyed it!

Parent Voice

Thank you to the 5 parents who attended Parent Voice and the 2 families that sent in questions. We have arranged the next meeting for Weds 21st November at 5.15 to perhaps make the timing more family friendly. The notes from the meeting will be sent home with next week's newsletter.

News from year 1

This week we said good bye to 'Sunny the Meerkat' as he went on his travels to the Antarctic before returning to the Kalahari Desert! The children have loved reading the book 'Meerkat Mail' and have produced some fantastic postcards as part of their literacy. Don't forget you are invited to join us at 2.30 on Wednesday 17th October to look at what your children have produced.

Don't Forget

We finish for half term on Thursday next week as the teachers have In-service Training Days on the 19th and 29th October.

Photo day - Reminder, Wednesday (Thursday for Reception classes and their siblings) is photo day if you would like to make sure your children look extra smart on the day.

Breakfast Club - Children must be booked in for breakfast club 24 hours prior to attending to ensure we have the correct amount of staff available, please do not bring children along who are not booked in. Thank you.

Mornings - If at all possible, please avoid knocking on the classroom door as the first port of call in the morning. We now have several methods of contacting teachers, please try to avoid disturbing classroom learning and the delivery of the register. Thank you.

Attendance reminder - If your child is absent from school please remember to contact the school office every day that your child is absent by 9.30am. You are also required to follow up the absence with a written confirmation (letter or an absence slip available from the office).

With best wishes for the weekend, Mrs Nicolson

Dates For Your Diary -2018/19

Minutes Late - The number of late arrivals after the register closed this week has meant that 156 minutes of learning have been

ATTENDANCE Class of the Week this week is Ahlberg class with 98.4%. Whole school attendance 94% - target 96%.

New NHS Autism Assessment Service for Children and Young People

Welcome and Information Event!

10am – 8pm, 16th October 2018

Hunnyhill Room, Riverside Centre, Newport.

This event is designed to offer children and their families on the Isle of Wight the opportunity to get to know the providers behind the new NHS ASD diagnostic service. In addition we have also invited a range of other local support services to help families understand the system from start to finish.

Our aim for the event is that those who attend will come away feeling reassured and confident in the services being offered. Representation from the CCG will also be attending, hoping to gather feedback regarding the recent experiences of families since the closure of ADRC as well as listen to what families feel is needed for children in addition to an assessment service.

Please feel free to drop by for a cup of tea any time between 10am and 8pm.

[We look forward to meeting you!](#)
